Explanation of Responses:

1. Reporting person was granted performance-based restricted stock units on April 29, 2019, which are earned based on the attainment of established performance criteria unrelated to the Company's stock price. As a result of our Q4 2019 performance relative to the attainment of the established Adjusted Operating Margin performance targets, the number of shares listed in this Table II were earned upon Compensation Committee approval on March 19, 2020, and will be banked until April 29, 2022, the vest date, subject to continued employment through such date. Each restricted stock unit represents a contingent right to receive one share of Cerner Corporation common stock.

2. This transaction represents a grant of restricted stock units to the reporting person by the issuer. Therefore, no consideration other than the value of services rendered was paid for the security.
